

ARVIN CHRISTOPHER LATAGAN

Luciente 2.0, Bolinao, Pangasinan | 09916680399 / 09194052776 | aclatagan15@gmail.com

CAREER OBJECTIVE

Highly motivated Full Stack Web Developer and IT graduate with a strong foundation in modern web architecture. Dedicated to delivering efficient, high-quality results by leveraging professional experience, technical training, and AI-driven development workflows to optimize the software development lifecycle.

TECHNICAL SKILLS

Web Development: JavaScript (ES6+), React, Responsive Web Design, Java Fundamentals.
AI-Enhanced Dev: Proficient in leveraging AI tools to accelerate build times, automate boilerplate coding, and streamline UI/UX prototyping.
Core Competencies: Full-stack architecture, database management, and data integrity.

PROFESSIONAL EXPERIENCE

Full Stack Web Developer

August 2024 – Present

SocialOwl LLC.

- Architecting and maintaining full-stack web applications, ensuring high performance and cross-device responsiveness.
- Integrating advanced AI tools into the development workflow to increase production speed and maintain clean, scalable codebases.
- Collaborating on the end-to-end development lifecycle, from database schema design to front-end implementation.

IT Intern

February 2024 – May 2024

Philippine Crop Insurance Corporation

- Digitized critical agricultural records by accurately encoding farmers' certificates of insurance.
- Performed background verification of farmer details to ensure high standards of database accuracy.
- Managed the professional distribution of insurance checks to policyholders.

Salesperson

December 2018 – December 2021

Adoras Loading Station

- Conducted regular inventory counts and managed stock levels to maintain operational efficiency.
- Cultivated positive customer relationships to drive repeat business and revenue growth.
